

## The Scenic West

Overland Route trains serve a maximum of western scenic regions. On your trip to or from the Pacific Northwest visit Denver. Near by is Rocky Mountain National Park, open from May through October. See romantic Salt Lake City if time permits. Sun Valley, famous summer and winter vacation center in central Idaho, is reached quickly from Shoshone, Idaho, on the main line of the Union Pacific. During summer season make a tour through Yellowstone and Grand Teton National Parks, only a short train ride from Pocatello, Idaho. Dude ranches, too, are plentiful in Colorado, Wyoming, Idaho, Montana and Oregon.
