SPECIAL RULES FOR BRIDGE SUB-DIVISION

1. All trains on Union Pacific tracks are governed by Union Pacific rules.
2. The Bridge Sub-Division comprises all tracks between U. P. Transfer, Council Bluffs and Broadway, Council Bluffs, and the west switch at Gilmore; between O. B. T. Junction and 20th street, Omaha; between Cass Street and 20th Street, Omaha between Davenport Street and the ice houses at Cut Off Lake, and between 36th Street on Lane Cut Off and Summit Junction.
3. All trains must move within yard limits prepared to stop unless main track is seen or known to be clear and must approach all junction points under full control expecting to find trains entering or leaving Union Pacific tracks. Trains entering or leaving Union Pacific tracks must be protected by flagman except when protected by interlocking. Trains entering or leaving tracks at "L" Street and "F" Street, South Omaha, must be protected by flagman in both directions.
4. No train will move against current of traffic within Bridge Sub-Division (except in interlocking district between Tower "A" and Tower "B", Council Bluffs, No. 1 and No. 2 tracks, and east tower Omaha to Thirteenth Street, Omaha), unless specifically instructed by terminal dispatcher to do so, and must also be preceded by flagman.
5. Thirty (30) miles per hour will not be exceeded by any train within Bridge Sub-Division limits.
6. Trains and light engines will not exceed six (6) miles per hour passing Union Pacific Transfer Depot, Council Bluffs, and 21st Street, located just west of depot platform.
Trains heading in at Council Bluffs will not exceed speed of five (5) miles per hour on Ice Dock tracks Nos. 5 and 6.
7. Trains will not exceed ten (10) miles per hour passing over switches Council Bluffs train yard junction; at Tower "B", east end of Missouri River Bridge; at the west end of Missouri River bridge; at 13th Street, Omaha; and trains using diverging routes Gilmore Junction. Union Pacific main line trains will not exceed twenty-five (25) miles per hour over interlocking switches Gilmore Junction.
Trains will not exceed fifteen (15) miles per hour passing over switches 20th Street, Omaha.
Trains will not exceed six (6) miles per hour between 16th Street viaduct on lower track, and 14th Street on upper track, Omaha.
Trains or light engines will not work steam or exceed speed of five (5) miles per hour while passing through crossover located on curve at east entrance to Union Station, Omaha.
8. All trains entering Union Station at Omaha will come to full stop before crossing main platform in front of gates, unless proceed signal received from Yardmaster.
9. All trains, transfer and yard engines using eastward freight main line will approach 7th Street, Omaha, prepared to stop unless switches are seen to be lined for main line.

10. Freight and transfer trains will not pass 11th Street, Omaha, without receiving proceed signal from switchtender.
11. Eastward trains on No. 2 track will approach 15th Street, Omaha, prepared to stop clear of crossover switches unless red flag by day or red light by night is removed and proceed signal received from switchtender.
12. Westward trains on No. 1 track will approach C. G. W. crossing Summit prepared to stop unless proceed signal received from switchtender. All eastward trains must stop clear of this crossing, and receive proceed signal from crossing flagman before proceeding.
13. All hand signals must be promptly and distinctly answered, so as to make certain they will be acted on only by such trains as intended for.
14. At the crossing of the C. B. & Q. R. R. at foot of Harney Street, Omaha, Neb., all trains will approach this crossing prepared to stop, should the crossing gate and signals be in the stop position.
15. At end of double track, Gilmore, normal position of switch will be for eastward track.
16. Westward Union Pacific passenger trains will not leave Omaha Union Station without clearance card, Form 2643.
17. The following overhead crossings will not clear a man when standing upon some of the large cars. Trainmen and Yardmen must not stand on cars when passing these points:

Missouri River Bridge.
Tenth Street Viaduct, Omaha.
Eleventh Street Viaduct, Omaha.
Trolley Wires, 13th Street, Omaha.
"L" Street Viaduct, South Omaha.
Trolley Wires, 9th and Douglas Streets, Omaha.

W. M. JEFFERS,
General Manager.

A. W. WOODRUFF,
General Superintendent.

C. A. MOORE,
Superintendent,
Omaha, Nebr.

H. H. LARSON,
Terminal Trainmaster,
Omaha, Nebr.

Bridge Sub-Division:
