CASCADE TUNNEL

One of the great engineering projects of all time, Great Northern Railway's Cascade Tunnel pierces the solid granite of the formidable Cascade Range between Berne and Scenic in Western Washington for a distance of 7.79 miles.

Recently completed is a huge ventilating project that enables the use of diesel locomotives in the tunnel. Installation of the ventilation system marked the end of Great Northern electrical operation in the Cascades.

BAGGAGE INFORMATION

**Hand Baggage** which passenger desires to retain possession of is restricted to an amount which can conveniently be placed in the berth, seat or other accommodations purchased by the passenger. Passengers are urged for the convenience of themselves and other passengers to check all baggage except that actually needed for personal use enroute. Checked baggage is baggage handled in the baggage car as a convenience to the passenger, relieving the passenger of its care and handling.

**Marking for Identification.** Mark or tag each piece with Passenger's name and address and place similar information inside.

**Definition of Checked Baggage.** Wearing apparel, toilet articles (except liquids) and personal effects—necessary or appropriate for the wear, use, comfort and convenience of the passenger for the purpose of the journey and not intended for other persons nor for sale. Money, jewelry, silverware, negotiable papers and like valuables, liquids, fragile or perishable articles, radios and household goods must not be included in checked baggage—the railroads will not be responsible for such articles.

**Free Checking Allowance.** Up to 150 pounds on each adult ticket and 75 pounds on each half fare ticket, a small charge is made for weight over these amounts (for Around-the-World or Trans-Pacific passengers weight allowances of 350 and 175 pounds respectively). Valuation not to exceed \$100 on baggage checked on each adult ticket, \$50 for each half fare ticket, unless a greater value is declared in writing by the passenger at time of checking.

A charge of 25c is made for each \$100 of value declared above the free allowance. In lieu of this excess value charge, passenger may elect to purchase a St. Paul Fire and Marine Insurance Company policy for entire valuation of baggage checked; these policies cover both baggage and personal effects whether checked or carried, and are available at principal ticket and baggage offices.

**Bicycles,** also baby carriages, cribs, playpens and similar articles when securely wrapped and roped will be checked within the weight and value allowance.

**Dogs** and other small household pets are transported in baggage cars subject to tariff regulations. Dogs, cats or other animals (not venomous, odoriferous or otherwise objectionable) when carried in baskets or containers, may be taken by purchasers of Pullman private rooms into the rooms they occupy, subject to established regulations. Dogs may be on leash and muzzled instead of in containers. Special arrangements for Seeing Eye Dogs.

**Forwarding.** Passengers are urged to check baggage in advance. Every effort will be made to facilitate the handling of baggage, but the Railway cannot guarantee to forward on same train as owner nor the arrival time at destination. Baggage is stored free at destination by the carrier for the first 24 hours. To avoid paying storage charges baggage should be claimed immediately upon arrival at destination.

**Remains.** Consult ticket or baggage agent.

**Lost Articles and Responsibility.** While no responsibility is assumed for unchecked articles left in stations or cars, **lost articles should be inquired for through Manager, Mail, Baggage and Express Traffic, St. Paul 1, Minnesota, or District Mail, Baggage and Express Agent, Seattle 4, Washington.** Every effort will be made to locate and return such articles.
