GO BY TRAIN
to Your Destination

RENT A CAR
When You Arrive

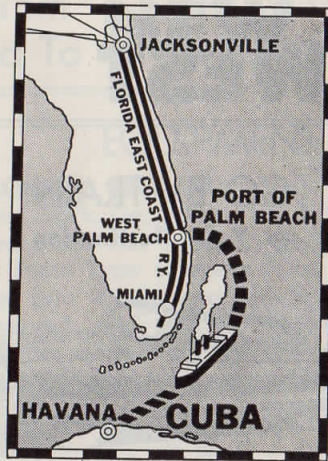

A new model car can now be rented reasonably by the hour, day or week at all principal cities on the East Coast of Florida and throughout the country. Spare yourself the long, tiring, time-consuming drive to your destination, yet have a car to use there as your own for business or pleasure. If desired, arrangements can be made through your ticket agent to have a rental car meet you upon arrival.

The CITY OF MIAMI and SOUTH WIND
now offer

A VISTA DOME CAR between Chicago and Miami

The first Vista-Dome cars to be placed in Florida service now operate regularly on the CITY OF MIAMI and SOUTH WIND between Chicago and Florida East Coast destinations. The 24 seats in the elevated dome section afford a thrilling view of the passing scenery, and are available to all Pullman passengers. The schedule provides an interesting daylight trip over the Florida East Coast Railway in both directions.

A New Ship joins the FLORIDA-CUBA Car-Ferry Fleet

The addition of the new CITY OF NEW ORLEANS makes a total of FIVE CAR-FERRIES operated by the West India Fruit & Steamship Company between the Port of Palm Beach, Florida, and Havana, Cuba. The new ship has a capacity of 60 loaded freight cars per trip, a speed of 19 knots per hour.

DAILY SAILINGS—PROMPT MOVEMENT

When freight cars destined for Cuba move over the Florida East Coast Railway to the Port of Palm Beach, a car-ferry is always waiting to speed them on to Havana. The FIVE large car-ferries now operated between these ports insure prompt movement of cars in both directions.

A large variety of United States products, including perishables, flow over this ALL-RAIL route to Cuba because of its superior speed, dependability and economy. Cargo arrives at its Cuban destination in the same car in which it left point of origin. This eliminates the need for special export packing, crating, and time-consuming transfer of cargo enroute, and saves shippers both time and money.

Agents of the West India Fruit & Steamship Company are specialists in this export trade, and can assist you with export documents, customs clearance, and other details. For rates and bookings contact W. L. Heath, Traffic Manager, P. O. Box 551, West Palm Beach, Fla.
