chessie

plan now for a delightful chessie cruise...

What is a Chessie Cruise? It's a round trip on board a C&O ship across Lake Michigan. It's an ideal way to spend a weekend or a day of vacation, a way to beat the heat, and the answer to that promise to take the family or group on a trip that's different.

How to go about it? Drive to the C&O dock at Milwaukee, Manitowoc or Ludington where there's plenty of free parking. Board your C&O ship for the Chessie Cruise. On the ship there are excellent meals, lots of deck room to roam, or just relaxing to do in the lounge or on a deck chair outside in the sun. No reservations necessary unless you want one of the comfortable staterooms which are available at a small extra charge.

When can we leave? There's a selection of convenient departures, listed in this folder. From Milwaukee, three cruises leave daily, from Ludington there are five and from Manitowoc, two. Cruises are offered from May 29 through September 13.

How much does it cost? Surprisingly little. \$10.95 will get you across the lake and back with two meals into the bargain. Children between 5 and 15 pay only \$5.95 including meals. Youngsters under 5, passage free.
