## ADJUST YOUR TRAVEL PLANS TO WAR CONDITIONS

The Florida East Coast Railway, like other railroads, is engaged in an all-out effort to speed the day of victory and peace. Increasing military transportation requirements limit the equipment available for civilian use.

Travel essential to the prosecution of the war naturally receives first call on existing accommodations. Those whose travel is less essential can aid the nation by adjusting their plans accordingly. Here's how you can help.

1.

### Avoid Weekends and Holidays

Service men and war workers on leave make travel particularly heavy over weekends and holiday periods. Help spread the load by arranging to travel when there is less demand for accommodations.

3.

### Cancel Reservations Promptly

Should it become necessary to change your plans, cancel your coach or Pullman reservations at once. Usually this can be done by telephone. Others may be waiting to use the space you hold.

**JACKSONVILLE**  
239 West Forsyth St.  
Telephone: 5-2227

**WEST PALM BEACH**  
309 Datura Street  
Telephone: 5151

2.

### Buy Tickets Well in Advance

Make your reservations and buy your tickets well in advance of your departure. If you can't get just the space you want on the desired date, remember that war-times involve some sacrifices.

4.

### Take Less Baggage With You

Travel light, taking just one piece of hand baggage into the car with you. It will allow you more room and comfort. Check other luggage through to destination at least a day before departure.

## Please Do Not Linger in the Dining Car

Because of increased travel due to the war, and as a result of gasoline and tire rationing, dining cars on our trains are now taking care of many more people than formerly. Extra dining cars are seldom available. Frequently small groups of military men must be accommodated first. This sometimes occasions delay in seating other patrons.

When there are people waiting to be seated in the diner, it will be appreciated if you forego your usual after-dinner chat or cigarette and vacate your table as soon as you are finished. This will help speed the service.

Remember that railroads, too, are subject to rationing in the purchase of their supplies. Dining car menus have had to be adjusted accordingly and some luxuries, such as a second cup of coffee, are no longer possible.

## Complete Main Line Schedule

WINTER SERVICE  
Effective December 5, 1942

### Notice to Passengers

**BAGGAGE MARKINGS.** All baggage to be transported under check should be plainly and substantially marked with the name and address of the owner.

**BAGGAGE MAXIMA.** No single piece of baggage exceeding 300 pounds in weight, or 72 inches in greatest dimension, or single shipments exceeding \$2,500.00 in value will be checked.

**BAGGAGE INSURANCE.** Passengers have the privilege of declaring the value of their baggage with the idea of having the carriers assume a greater liability than \$100 provided for in the ticket contract. The charge for this insurance is 10 cents for each \$100 of increased value.

**BAGGAGE CHECKED TO NON-AGENCY STATIONS.** When baggage is forwarded under agent will not be on duty upon the arrival of this particular train, it must be claimed at the baggage car door immediately upon arrival at that station. Otherwise it will be carried to the first station where agent is on duty and held for further advice.

**BICYCLES, BABY CARRIAGES, CRIBS or PLAY PEDES and TRICYCLES** are now transported in baggage cars as part of free baggage allowance.

**LOST ARTICLES.** For articles left in Pullman cars, communications should be addressed to the Superintendent of the Pullman Company at Jacksonville, Fla. However, inquiries addressed to the General Passenger Agent at the Florida East Coast Railway at St. Augustine will be given prompt attention. No responsibility is assumed for articles left at stations or in coaches.

**SUBJECT TO CHANGE WITHOUT NOTICE.** The Florida East Coast Railway assumes no responsibility for inconveniences or damages resulting from delayed trains, errors in time tables or failure to make advertised connections. Schedules are subject to change without notice.

**CHILDREN.** For children under five years of age, when accompanied by parents or guardian, no charge will be made.

For children five years of age and under twelve, the charge will be on the basis of one-half of the regular fare for an adult person.

For children twelve years of age and over, full fare will be charged.

**REDEMPTION OF TICKETS.** Unused tickets will be redeemed under current regulations which provide for proper deductions, in case baggage has been checked, or the ticket partly used. Upon application to the local agent, a form will be supplied which must be filled in; or communications addressed to the General Passenger Agent at St. Augustine will be given prompt consideration.

**ADJUSTMENT OF DIFFERENCES.** In case of disagreement with an Agent or Conductor as to the proper amount to be collected, we ask that the passenger make payment in accordance with the demands of the employee, and take a receipt dated and signed. The question should then be referred to the General Passenger Agent at St. Augustine who will give it prompt attention.

**STOP-OVERS.** One-way tickets are limited to 30 days, in addition to date of sale, and stopovers at intermediate stations are allowed upon application to Conductors.

On round-trip tickets stopovers are allowed at intermediate station in both directions within the final limit.

**TICKETS WILL NOT BE SOLD** to crippled persons or those who are too ill to adequately care for themselves, unless accompanied by a competent person in charge; to persons who are intoxicated; or whose conduct might be annoying or hazardous to other passengers.

**Don't Waste TRANSPORTATION**

Of the 6,800 Pullman sleeping cars and 17,500 passenger coaches on the railroads today, a large part are assigned to troop service. Essential travel on war business — men on furlough—tire shortage and gasoline rationing—all add to the demand for space on the trains. That demand must be met with the cars we have — other war needs make it impossible to get any more. So please help the other fellow who must travel — and help yourself — and help us to get the best use out of what we have.

*Don't Waste Transportation*

Plan ahead—avoid week ends and holidays—travel light.
