BERKELEY-ADELINE STREET LINE TEMPORARILY DISCONTINUED

Because of the shortage of operating facilities at the Key System Pier Terminal due to the recent fire, the service of the Berkeley-Adeline Street line has been temporarily discontinued.

EMERGENCY SERVICE BERKELEY-COLLEGE AVENUE LINE

Until further notice it is necessary for patrons of the Key System Berkeley-College Avenue line to use a joint Key System-Southern Pacific commutation ticket. These commutation books, sold at the usual price, may be purchased from Key System trainmen on the Berkeley-College Avenue line and from Southern Pacific Ferry Ticket Office, San Francisco.

Joint single and round trip tickets are issued for this service. Eastbound these tickets should be purchased at Southern Pacific Ferry Ticket Office, and westbound from Key System. Patrons will find it convenient to purchase round trip tickets from Key System trainmen.

Key System single trip tickets, round trip tickets, or commutation tickets will not be honored on Southern Pacific trains or boats.

For patrons of the Berkeley-College Avenue line who desire to transfer to the Key System Claremont-55th Street line or the Berkeley-Sacramento Street line and travel via Key System to and from San Francisco, a walkover privilege between the two lines has been established.

The walkover privilege between the Berkeley-College Avenue line and the Claremont-55th Street line has been established at Claremont and College Avenues, and via the Berkeley-Sacramento Street line at Alcatraz Avenue and Sacramento Street.

Patrons of the Key System Berkeley-College Avenue line who desire to avail themselves of the walkover privilege should purchase the regular Key System commutation book or ticket. The special joint ticket and the joint commutation form are good only at South Berkeley (Alcatraz Avenue) between the Berkeley-College Avenue line and trains of the Southern Pacific.
