BURLINGTON Suburban Service

WESTBOUND

EFFECTIVE OCTOBER 27, 1968

Central Time

UNION STATION Ph. 372-6700

CITY TICKET OFFICE Ph. 922-2345

Notice to Our Suburban Patrons

This timetable shows the time at which trains carrying suburban passengers are scheduled to arrive at and depart from stations, but the company will not be responsible for consequences arising from delays or from errors in these printed schedules, which are subject to change without notice.

The nature of our business makes necessary the regulation that conductors receive proper fare or other evidence of transportation from every passenger on the train. The statutes make it a legal obligation upon the railroad to collect and the passenger to pay lawful fare in every case and penalties are provided for any failure.

FARES ON TRAIN

Passengers are respectfully requested to purchase tickets before boarding trains at stations where those facilities are provided. Tariff on file with the Illinois Commerce Commission provides that when fare is paid on train from a station open for the sale of tickets, a penalty of 10c will be charged.

COMMUTATION TICKETS BY MAIL

As a convenience to patrons, monthly commutation tickets can be purchased by mail. Address your request, after the 20th of the month, with check or money order, to your local CB&Q Ticket Agent or to Burlington Travel Headquarters, 101 W. Adams St., Chicago, Ill. 60603. Ticket for the ensuing month will be forwarded by return mail.

EXPIRED TICKETS

The tariffs on file with the Illinois Commerce Commission provide a specific expiration limit for all tickets and in the case of 10 and 25 ride tickets, this is one year from date of sale. Expired tickets may not lawfully be accepted for transportation and conductors are required to collect proper fare. Partly used tickets are redeemed at the difference between the purchase price and the lawful fare for the portion used.

Please Keep Feet Off Seats and Upstairs Railings

SEATS!

Every effort is made to provide enough seats, but occasionally, due to fluctuations of traffic and changes in travel habits of our commuters, some standing occurs. There may be standees in forward cars and empty seats in rear cars, or vice versa. When all seats in your car are occupied, a trainman can advise whether there are empty seats elsewhere in the train.

We ask your cooperation by not turning seats on rush-hour trains for groups of three people riding together. Doing so makes it crowded and uncomfortable for a fourth passenger to occupy the remaining seat.

Thank You!

YOU ARE IMPORTANT

Crossing tracks can be dangerous. Subways and stairways are maintained for your safety. Please use subways at Aurora, Naperville, Congress Park and Riverside and the stairways at Lisle, Clyde, Cicero, Western Avenue and Halsted Street.

Never cross tracks too close in front of or behind moving or standing trains. Watch for trains on adjacent tracks.

Obey warning of crossing gates, signals and bells.

Do not get on or off moving trains. The risk is too great.

Get on and off platform side of train.

Do not stand in vestibules of moving trains.

Train your children in safe ways and forbid them to trespass or to ride bicycles on railroad premises.
