

INFORMATION

The fares and arrangements shown herein are for information only, and tickets are sold and honored in accordance with lawfully filed tariffs, which are subject to change on statutory notice.

1. Monthly Commutation Tickets.—A 54-trip monthly commutation ticket is good for 54 single continuous rides, and a 60-trip monthly commutation ticket for 60 single continuous rides, in either direction, between stations named thereon, during the calendar month for which issued, as designated on ticket, for the personal use of purchaser, whose signature must be affixed to ticket at time of sale.

If issued on the Graduated Payment Plan, one commutation ticket must be purchased each month consecutively month after month at the same ticket office, all for the use of the same person. If one or more months are permitted to elapse, or the series of twelve months has been completed, and it is desired to continue on Graduated Payment Plan, the purchaser must begin again at the first month fare.

If issued on the Single Payment Plan, one commutation ticket for each month for term of 3, 6 or 12 successive calendar months must be purchased at one time, all for use of the same person. When all of the tickets of a Single Payment term have been used, or limit has expired, and it is desired to continue use of Monthly Commutation Tickets, the purchaser must begin at the first month fare, or purchase tickets on Single Payment Plan.

2. Season and Annual Tickets.—A 50-trip season ticket is good for 50 single continuous rides, a 100-trip season ticket for 100 single continuous rides, a 150-trip season ticket for 150 single continuous rides and a 100-trip annual ticket for 100 single continuous rides, in either direction, between stations named thereon, within the limit of ticket, for the personal use of purchaser, whose signature and photograph must be affixed to ticket at time of sale. The photograph must be one taken recently enough to show a good likeness of applicant, and not exceed 1¼ inches in size. A new copy of photograph must be furnished by applicant for each ticket.

50-trip season tickets (25 round trips) are on sale May 1 to October 31, inclusive, and are good for three successive calendar months including month of issue but not exceeding October 31 of year of issue. For example: A ticket issued during June will not be good after August 31, and one issued during September will not be good after October 31.

100-trip season tickets (50 round trips) and 150-trip season tickets (75 round trips) are on sale April 1 to October 31, inclusive, and are good for six successive calendar months including month of issue but not exceeding October 31 of year of issue. For example: A ticket issued during April will not be good after September 30, and one issued during May, or later will not be good after October 31.

100-trip annual tickets are on sale daily and are good for one year in addition to date of issue. For example: A ticket issued May 10th will not be good after May 10th of the following year.

3. Family Tickets.—A 50-trip Family Ticket is good for 50 single continuous rides in either direction, between stations named thereon, within limit of ticket, for the transportation of the purchaser, a member of his or her family, and not more than two visitors thereto. The term "family" includes only husband or wife of the purchaser, and sons, daughters and other members of the immediate family living with and supported by the head of the household. The term "visitors" includes only a person actually visiting the family household. Tickets will not be honored unless signed by the purchaser.

50-trip family tickets (25 round trips) are on sale daily and are good within one year from date of issue. For example: A ticket issued May 10th will not be good after May 10th of the following year.
